## *Opening Doors for Connecticut's Low-income Individuals and Families*

Please consider supporting CLS through the making of planned gifts that may include gifts of assets other than cash or securities; life income gifts whereby the donor transfers an asset and retains, or provides for another person or persons, an income for life; charitable lead trusts that may permit people to save on income, gift, and estate taxes; or bequests.

Even gifts of cash and marketable securities may be considered to be planned gifts. In fact, any time you stop to consider the timing or tax benefits of making a gift, you may be making a planned gift.

For more information about planned giving, please phone, fax, e-mail or write:
